

West Virginia AFL-CIO

American Federation of Labor -
Congress of Industrial Organizations

UNIONS have elevated
the working conditions,
standard of living and
the recognition of not
just their members,
but of *all* who labor.

UNION MEMBERSHIP
actually *raises*
living and working
standards for *all*
working men and
women — union
and non-union.

Donna Brazile
columnist, adjunct professor

LIVE BETTER. WORK UNION.

**“Right to Work”
is WRONG!**

Especially for Women!
