

“Right to Work” doesn’t create jobs. –

7 of the 10 highest unemployment rates in the country are in states with these misleading laws.

Put simply, “Right to Work” is an attempt by out-of-state interests to move West Virginia workers to part-time positions, off-shore their jobs and reduce safety in their workplace.

“Right to Work” is WRONG!

West Virginia AFL-CIO
Kenny Perdue, President
Josh Sword, Secretary-Treasurer
